The Road to Lilyfields Lottie Bloom

A gripping contemporary romance of love against the odds. A fresh start in the country is just what Rosa needs. But love has a habit of taking hold in unexpected places. All Rosa wants is to trade her fast-paced city life for a simpler country existence. A run-down cottage in need of some TLC seems the perfect place to recover from a bruising break-up and to reconnect with her country roots. But when Rosa falls for Jack, the only other full-time resident in the bay, the simple life she craves seems in danger of slipping away. Just when she is learning to trust again, Jack's mixed messages leave Rosa bewildered and confused. Desperate to understand why he remains so distant, Rosa seems to push him only further away. Will her obsession with Jack's past ruin any chance of being with him? And what is the mystery that binds him to the Hatherley sisters?
