A Companion to Shakespeare's Works, Volume II: The Histories

This four-volume "Companion to Shakespeare's Works, " compiled as a single entity, offers a uniquely comprehensive snapshot of current Shakespeare criticism. Brings together new essays from a mixture of younger and more established scholars from around the world - Australia, Canada, France, New Zealand, the United Kingdom, and the United States. Examines each of Shakespeare's plays and major poems, using all the resources of contemporary criticism, from performance studies to feminist, historicist, and textual analysis. Volumes are organized in relation to generic categories: namely the histories, the tragedies, the romantic comedies, and the late plays, problem plays and poems. Each volume contains individual essays on all texts in the relevant category, as well as more general essays looking at critical issues and approaches more widely relevant to the genre. Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty-first century.

This companion to Shakespeare's histories contains original essays on every history play from "Henry VI" to "Henry V" as well as fourteen additional articles on such topics as censorship in Shakespeare's histories, the relation of Shakespeare's plays to other dramatic histories of the period, Shakespeare's histories on film, the homoerotics of Shakespeare's history plays, and nation formation in Shakespeare's histories.
