Having Faith Alone May Not Be Enough!

In fact, Faith Without Corresponding Action Is *DEAD!*

Faith is like money: it has to be spent to have power.

Having faith is important, but using faith is power. The power of money is not merely in having it. The power in money is in *SPENDING* it! Like money, one must have faith in order to spend it, but the real power of faith occurs when it is used.

The Power Of Faith Is Not Merely In HAVING Faith. The Power of Faith Is In USING Faith!

The Two Important Questions You Need To Ask Are: "What Is Faith?" and "How Do I Spend It?" *BIBLICAL FAITH: WHAT IT IS AND HOW TO USE IT* offers answers to these questions, as well as provides a step by step process of how to effectively spend your faith to get results.

God's will is for you to be prosperous!

This may sound shocking (even blasphemous) to many Christians. But it is God's will for you to be happy, healthy, and wealthy. *CHRISTIAN PROSPERITY* explains the concept of biblical prosperity and what it means for your life!
