## **Call of Country: Matt Kemp: U.S. Marshal** Rick Jantz

Matt Kemp is a footloose gunfighter when he arrives at the lawless gold-mining town of Bannack, Montana to scoop his fortune from the creeks. But he and his saddle partner soon find out that the gold rush is over and only the mine owners are getting rich... as are the outlaws who feast off them.

When Kemp's young partner is killed he vows to seek revenge on the bandits that have been robbing and killing anything that moved on the roads out of Bannack. But Kemp is soon up against the powerful local mine owners and their vigilantes who are determined to hang every outlaw they can find.

A U.S. Marshall has arrived in Bannack in an attempt to arrest the outlaws and anyone else who thinks they are above the law. Seeing the potential in Kemp, he attempts to recruit the gunslinger into the United States Marshall Service before the man shoots everyone to hell.
