The bestselling author of *Decider* is back with another suspenseful ride. The hero of *Whip Hand* returns! Although more than a decade has passed since the publication of *Whip Hand*, little time has elapsed in Sid Halley's life. But the morning of his appearance, a tragic suicide shatters the proceedings and jars Halley's conscience. Plagued by regret and the suspicion that there's more to the death than has yet come to light, he is catapulted into days of hard, rational detection, heart-searching torments, and the gravest of perils. Business as usual for Sid...
