Can quick thinking and fun in public save her relationship?

A bike with a dildo built into the seat? And Talia's boyfriend expects her to use it in public?

Talia's relationship with her boyfriend is on the rocks. The sex is so bad that Talia wonders if she even loves Max anymore in the first place, and her parents had never been sure about her dating a white guy.

On her 19th birthday, he asks her to come over early, and she's dreading whatever awful present he probably got her.

What she receives instead is a brand new bike... with a twist. Talia is both scared of it and turned on by it, and when Max pushes her to fuck herself in public while riding it, she gives into her taboo desires.

This 3200 word erotic interracial story includes public masturbation and then public sex--with guests, no less!
