## **Stepbrother Proposal**

Leona Wilding left home as soon as she turned 18. Her darling stepmother, Charlene, had two sons, one of whom was still living at home. Chandler, aka Chad, was a senior to her freshman in high school and she had been hopelessly in love with him since the first day she had saw him. But he only saw a kid. So when he turned up at the yearly family gathering with a pretty young thing in tow, Lee's heart broke. She left home, determined to forget her unrequited love, and to move on with her life.

Ten years later, she's a teacher, single and reasonably content until Chad reappears in her life with a man in tow...a billionaire Dutchman named Xander de Graaf, and both men pursue her for the kind of relationship she would never have imagined possible. And she wants them both.
