## America's Last Vietnam Battle: Halting Hanoi's 1972 Easter Offensive (Modern War Studies (Paperback)) Dale Andrade

In the spring of 1972, North Vietnam launched a massive military offensive designed to deliver the coup de grace to South Vietnam and its rapidly disengaging American ally. But an overconfident Hanoi misjudged its opponents who, led by American military advisers and backed by American airpower, were able to hold off the North's onslaught in what became the biggest battle of a very long war.

Dale Andrade rescues this epic engagement from its previous neglect to tell a riveting tale of heroism against great odds. Originally published in cloth in 1995 as *Trial by Fire* and drawing upon recent Vietnamese-language sources, this new paperback edition will finally allow a true

classic on the war to reach the wide readership it deserves.
