Hydra and the Bananas of Leonard Cohen

Roger Green

Hydra and the Bananas of Leonard Cohen Roger Green

English poet Roger Green left the safety of God, country, and whiskey to immerse himself in an austere and sober life on the Greek Island of Hydra. But when Green discovered that his terrace overlooked the garden of sixties balladeer Leonard Cohen, he became obsessed with Cohen's songs, wives, and banana tree. *Hydra* starts with a poem the author wrote and recited for his fifty-seventh birthday (borrowing the meter of Cohen's "Suzanne," and ripe with references to the song), with Cohen's ex-partner Suzanne, who may or may not be the subject of Cohen's song, in the audience. By turns playful and philosophic, Green's unconventional memoir tells the story of his journey down the rabbit hole of obsession, as he confronts the meaning of poetry, history, and his own life. Beginning as a poetic meditation upon Leonard Cohen's bananas, Green's bardic pilgrimage takes the reader on various twists and turns until, at last, the poet accepts the joy of accepting his fate.
