"I began using the *College Access & Opportunity Guide* with my upper division students, but very soon the other students were asking to see it. Since I had only one copy, I would have a waiting list to look at the book. It became the focus of our group meetings and soon the students started calling it 'the red college bible.' In the end, we decided to give all of our sophomores their own copy to set them on the right path to

college."
