The first novel of The MASTERED Saga offers titillating insight into the psychology behind a Dominant/submissive relationship. Told through the eyes and hearts of JAMES COLTON and MISSY WEAVER, it is an exciting journey that will leave you rethinking what is normally considered the 'darker' side of human nature.

**MEET MISSY:** Missy always knew she was different. Deeply submissive but terrified of being labelled deviant, she suppresses her true nature. In its place she constructs a socially acceptable half-life where she exists in militant self-denial.

That is, until fate intervenes...

**MEET JAMES:** Dominant to the bone, James recognizes Missy as innately as a lion identifies the gazelle to be cut from the herd. Easily, he penetrates her well-honed façade. What he finds inflames his imagination and effectively ends three years of mourning and self-imposed celibacy.

This unique storyline will keep you whet, wanting, and excited to turn the next page. In the end, MASTERED will have you begging for more. That's where TRUSSED comes in...
