#### Men Rule... But God Overrules Karen Frazier Romero

Power tends to corrupt... but absolute power corrupts absolutely. Since Lucifer's revolt, there has always been a war raging against good and evil. God created for man a perfect world without sin and death, but the temptation of Satan caused the Fall of Man. Since then, Satan has used mankind in an attempt to destroy God's plan to save humanity through the Saviour, Jesus Christ. This book is a stark awakening to what is happening in the world today in the realm of politic and religion. There is a New World Order being ushered in by the enemies of the Cross and they will stop at nothing to gain absolute control of the world as we know it. The desire for world dominance is nothing new, but the means by which it will be accomplished have become so covert that the blinded people of the world will never suspect that they will soon become slaves to the world system. The Bible spells it all out "for anyone who has ears to hear."
