POWER FOR LIVING FREE

The Power of the Secret Place deals with the central issues common to all believers. Both individually and corporately, the springhood of what is happening in the lives of believers is in the secret place. The outcome of all that we do hinges on what is or is not being done in that place.

Who is in that secret place with you? What are the effects, both positive and negative, of the secret place? How can that place be cleansed and holy? How free do you want to be? The critical questions are pivotal in the preparation of the body of Christ for the harvest to come.
