Mahmood Bashash

Setting up an online business framework (Volume 1) Mahmood Bashash

The content of this book has been written with the intention of providing you with guidance on how to become a prosperous business owner on a global scale, whilst providing an insight in how inequality in the business world might be resolved. The guidance exploits the emerging open economy, created through worldwide trading over the Internet, and provides solutions to such aspects as selling online, creating value, protecting your business from identity theft, and global resourcing.
