**Torch of Freedom (Crown of Slaves, - Honor Harrington universe Book 2)** David Weber, Eric Flint  
Someone is assassinating the leaders of both the Star Kingdom of Manticore and the recently liberated former slave planet of Torch. Though most believe the Republic of Haven is behind the murders, Anton Zilwicki and Havenite secret agent Victor Cachat believe there is another sinister player behind the scenes. Queen Berry of Torch narrowly escaped one assassination attempt, and a security officer from Beowulf has been assigned to protect her, a task complicated by the young monarch's resentment of bodyguards, and the officer's growing attachment to her. Meanwhile, powerful forces in the Solarian League are maneuvering against each other to gain the upper hand, not realizing or, perhaps, not caring that their power struggle is threatening the League's very existence and could plunge the galaxy into war.

Once again *New York Times* best-selling authors David Weber and Eric Flint join forces in an exciting new novel in the Honorverse.

At the publisher's request, this title is sold without DRM (Digital Rights Management).

A lifetime military history buff, David Weber has carried his interest in history into his fiction. In the *New York Times* best selling Honor Harrington series, the spirit of both C.S. Forester's Horatio Hornblower and history's Admiral Nelson are evident. With over five million copies of his books in print, David Weber is the fastest rising star in the Science Fiction universe. His Honor Harrington series boasts over 3 million copies in print, and Weber has had over thirteen of his titles on *The New York Times* Best Seller List. *War of Honor*, book 10 in the series appeared on over twelve Best Seller lists, including *The Wall Street Journal*, *The New York Times*, and *USA TODAY*.

While he is best known for his spirited, modern-minded space operas, he has also developed a fantasy series, of which two books have been published: *Oath of Swords* and *The War God's Own*. David's solo work also includes three novels of the "Dahak" series, and the stand alone novels: *Path of the Fury* and *The Excalibur Alternative*.

Weber's first published novels grew out of his work as a war game designer for the Task Force game Starfire. With collaborator Steve White, Weber has written four novels set in that universe: *Insurrection*, *Crusade*, *In Death Ground*, and *The Shiva Option*.

Recent bestsellers in planetary adventures also include the teamwork of John Ringo in the best selling Empire of Man series where the titles *March Upcountry*, *March to the Sea*, *March to the Stars* and *We Few* have made appearances on *The New York Times* List.

Weber's proliferation continues with author Eric Flint, where they joined forces in the Best Selling "Ring of Fire" alternate history series, for *1634: The Baltic War*, coming in May.

A popular guest at science fiction conventions, Weber makes his home in South Carolina with his wife Sharon, three children and a passel of dogs.
