How do you think it feels to be able to wake up without using an alarm clock? Meaning you can get up whenever you want...

Sometimes I joke and say that my watch is just for decoration... but most times I really mean it.

Imagine being able to pretty much do whatever you want... but on top of that, everyone in your town knowing who you are...

I mean walking up to the club with your mink coat dragging the concrete and your diamonds glistening off the overhead lights that hang over the entrance, and not having to stand in line with the regular people... Walking right to the front and the bouncer unhooking the velvet rope for you and your crew...

Beautiful women from different races and cultures dressed in all white to match your outfit... slamming the limo door and walking in right behind you... everyone in the line looking on with envy and jealousy...

That's just a piece of it...

How about walking into the Gucci store and buying a couple pairs of shoes and a new belt and just throwing your gold card on the counter and not thinking twice about the cost.

That's the life of a GOD.

After much back and forth with my mentor, I've decided to let you guys in on the secret that has helped me create the type of lifestyle that people kill for.

This is the secret that helped me make over a million dollars in less than 4 years!

This is the secret that even after I went to prison and lost it all, I was able to get it all back... plus some in less than a year!

It's the secret that as an Entertainer, will make you rich beyond your wildest dreams...

The way I was taught, if you have 5000 followers, and you don't have any money, then there's a problem somewhere.

That's what this book will solve for you.

It gives you the secret of how to really live that Rockstar lifestyle laid out plainly and simply...

This book teaches you 'How to Be a God'
