Negro Fort

Paul Allen

Negro Fort Paul Allen

Two slaves, Joe Cudjo and his wife Janie, run away from a Georgia plantation, taking a small boat down the river into Florida. There on the riverbank was the "Negro Fort," a stronghold of runaway slaves and renegade Indians.

At the fort, Joe becomes a soldier in its army. He and Janie begin a new life in a prosperous community of a thousand free blacks. But when an American invasion is mounted to destroy the fort, Joe and the others must fight to save their dream.

Based upon fact, NEGRO FORT is a story that has never been told.

From reader reviews:

David Conte:

The book Negro Fort can give more knowledge and also the precise product information about everything you want. Why must we leave the good thing like a book Negro Fort? Several of you have a different opinion about publication. But one aim that book can give many info for us. It is absolutely correct. Right now, try to closer along with your book. Knowledge or information that you take for that, you are able to give for each other; you can share all of these. Book Negro Fort has simple shape but you know: it has great and big function for you. You can search the enormous world by wide open and read a publication. So it is very wonderful.

Esther Belote:

Nowadays reading books become more than want or need but also turn into a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book this improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want drive more knowledge just go with education and learning books but if you want truly feel happy read one together with theme for entertaining such as comic or novel. Often the Negro Fort is kind of book which is giving the reader unpredictable experience.

Glen Bass:

Information is provisions for those to get better life, information presently can get by anyone in everywhere. The information can be a know-how or any news even a huge concern. What people must be consider while those information which is inside former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you obtain the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Negro Fort as the daily resource information.

Julie Chambers:

Reading a book tends to be new life style with this era globalization. With studying you can get a lot of information that will give you benefit in your life. Together with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire all their reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some study before they write with their book. One of them is this Negro Fort.
