## New Issues and Paradigms in Research on Social Dilemmas

Readers need look no further if they seeking an edited volume compiled to present the latest developments in the field of social dilemma research. Social dilemmas are situations when there is a conflict between self-interest and collective interest. This work examines under what circumstances people make decisions that are in line with the collective interest as well as investigating what can increase the likelihood of cooperation. Three man sections mirror the different levels of analysis: individual, group, and societal.
