The Lookout

Shane Brown

The Lookout Shane Brown

1945. Michael Hamilton, a young soldier wounded during the Second World War, goes to The Lookout, a house owned by his Grandfather on the Norfolk coast, in order to recuperate. He shares the house with Anna and her son, Peter, distant cousins who are living there after their house was bombed a few years earlier. But all is not as it seems at The Lookout or in the nearby village. Recent tragedies involving the village's children has everyone on edge, and Michael inadvertently finds himself at the centre of the mystery. He sets about looking for answers at the same time as unexpectedly finding himself attracted to Peter.

From reader reviews:

Dolores Watkins:

What do you think of book? It is just for students since they're still students or this for all people in the world, the actual best subject for that? Only you can be answered for that issue above. Every person has various personality and hobby for every single other. Don't be pushed someone or something that they don't want do that. You must know how great as well as important the book The Lookout. All type of book are you able to see on many methods. You can look for the internet solutions or other social media.

Ryan Donahue:

As people who live in the particular modest era should be upgrade about what going on or information even knowledge to make them keep up with the era that is always change and move forward. Some of you maybe will update themselves by examining books. It is a good choice for yourself but the problems coming to you is you don't know which you should start with. This The Lookout is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Christine Flint:

Many people spending their moment by playing outside having friends, fun activity having family or just watching TV all day every day. You can have new activity to pay your whole day by examining a book. Ugh, do you think reading a book can really hard because you have to bring the book everywhere? It fine you can have the e-book, taking everywhere you want in your Smart phone. Like The Lookout which is having the e-book version. So , why not try out this book? Let's see.

Gladys Myers:

E-book is one of source of knowledge. We can add our information from it. Not only for students but additionally native or citizen want book to know the change information of year to be able to year. As we know those books have many advantages. Beside many of us add our knowledge, can bring us to around the world. Through the book The Lookout we can consider more advantage. Don't you to definitely be creative people? For being creative person must choose to read a book. Just simply choose the best book that suited with your aim. Don't be doubt to change your life with this book The Lookout. You can more pleasing than now.
