Watching the Biker Gang Dominate My Husband (My Husband's First Gay Experience) Scarlett Meadow

**“Remember dear, you said you wouldn’t turn down another menage if it was offered to you and I got to watch. Right now, I get to watch.”**

**Anything** can happen on a road trip. My husband and I learned that the **hard** way... or rather, the **fun** way. Our car broke down in the middle of nowhere with no cell service. A **biker gang** came to our rescue. Back at their clubhouse, the **MC** revealed their **wishes and desires**.

Now I just had to convince my husband to **join** these **big, sexy, gay bikers in a menage** while I got to **watch**. My husband had a **blast** submitting to these **alpha males**.

This **hot short story** is a perfect **quickie** for your kindle!
