Your Mission I'mPossible: How to Break Through Your Fear, Discover Your Soul Purpose, and Manifest the Unlimited Success, Money, & Happiness YOU Deserve. Isis Jade

We all have a mission. A SOUL Purpose for why we are here.

A chief, definite aim.

Your reason for BEING.

Your reason for getting up every morning.

Every one of us needs a huge WHY.

Purpose is more than just a choice. Purpose is ingrained into us at the deepest DNA level. It is a part of our central core, the essence of our soul, the harmonic resonance that we send out to the universe. It gives us a profound sense of clarity, certainty and trust that the road we are undertaking has a definite purpose, a definite outcome.

Why does our purpose sometimes feel like a Mission Impossible? Our Soul's Purpose often leads us through the fires of our fears and self-doubts, asking us to confront and tame each one, so that we come out the other side whole, healed and complete.

Audrey Hepburn once said, "Nothing's impossible. The word itself says, 'I'm Possible'."

That's why this book and my comprehensive soul purpose coaching program has become known as "YOUR MISSION I'MPOSSIBLE"

I believe in your mission and I see you as a miracle. YOU are a gift to the Universe. There is no one quite like you anywhere else. YOU ARE POSSIBLE. And so too, is Your Soul's Mission in Life.

The purpose of Your Mission I'mPossible is to give you a comprehensive tool for self-discovery to guide you into discovering your Soul Purpose and use it to create the Divine Life (and perhaps business or non-profit) you've always dreamed of.

We all have a natural reason for being here, now. Even when it doesn't feel like it, and depression saps the strength right out of you or a major life crisis or transition seems to overwhelm you to the point you don't know where to turn or what to do. This book will guide you.

Our Soul Purpose may at one point in time or another seem virtually impossible to accomplish. However, this book is filled with valuable information, ideas, strategies & proven techniques which will help you to find and pursue your TRUE purpose in life. Grab this book and apply the strategies Isis Jade teaches you to guide you back to your Soul's Mission I'mPossible and live the life of your dreams.
