Body Swap C J Edwards

In the year 2115, body swapping was a recreational reality. A simple electronic transfer was all that was required to give another person the opportunity to live in your body for a limited period. The big take up was with personal trainers. Well if you are wealthy and overweight, why sweat in a gym yourself when you can get someone else to do the hard work. Pretty forties working wife Dana was in that category. She'd let herself get a bit, well plump! Talked into it by her best friend, she found a personal trainer and gave it a go. What she couldn't know is that gorgeous, high-energy trainer Houston was a nymphomaniac who couldn't say no to any new sexual opportunity. What happen next was a chain of highly charged sex escapades with the girls in each others' bodies. Another highly erotic 5,000 word short story from Charlotte Edwards. Not suitable for the under-aged or the prudish!

Extract:

Dana waited patiently until the monitor showed her host's vehicle had left the garage and then positively leapt out of her seat. She couldn't wait to have a look at her temporary body! Darting into Houston's bedroom, she activated the full length reflector panel and watched herself avidly as she slowly peeled the trainer's clothes off. Her skin was slightly tanned and completely flawless. Dana felt an odd shiver of excitement as she opened the blouse top and revealed the taut, bronzed flesh of her trainer's breasts. She reached a hand in and gently caressed the small pointy nipples. "Oh God!" It was Houston's voice but her own utterances. Unlike just about everyone she knew, Dana had never had a same sex relationship as she had bizarrely never found other women attractive. Something about this one and the complete control she had over her body for a limited period of time was however different. She couldn't help herself! She touched the breasts again and enjoyed the sensations. It was exactly like touching herself but more... alive! If this was what a super-fit body gave you, she wanted more of it. She wanted a lot more.

But first she wanted this particular body. She just had to fuck herself as Houston. Sitting on the bed, she squeezed the firm boobs together and then ran her fingers down the rock hard abs to the waxed mound below. With a satisfied moan, she lay back and let her practiced hands do their thing.
