You're About To Learn Dating & Relationship Secrets Most Men Will Never Know... Why do some men get the attention of beautiful women while others never have any luck? If you've wondered this, you're in the right place. This book will tell you everything you need to know about attracting, dating, and being in great relationships with beautiful women you meet. You will learn: - What keeps you from truly understanding women and how you can change that right now. - The 3 most important things you must have to make a strong first impression. Without even one of these, you won't stand a chance. - Everything you need to know to best approach a woman with ease and confidence - Powerful "framing" tactics to control any pickup and dating situation - Why "clarity" about the kind of woman you really want may be holding you back from the relationship of your dreams and how to fix that - How to know instantly and be 100% certain if a woman is worthy of your attention or if you should "throw her back" - The one thing you need which lets a woman know you are in control - How to start (and continue) a conversation that will make her want you to spend the night - How to have the perfect first date, even if you have little or no money - The three "C"s that make for a solid relationship - How to have a smooth and drama-free breakup And Much More!
