Purgatory (illustrated by Gustave Doré) (Divine Comedy Book 2)

Dante Alighieri

Purgatory (illustrated by Gustave Doré) (Divine Comedy Book 2) Dante Alighieri

"The Inferno's nine circles of extravagant tortures have long captured the popular imagination, but Purgatorio is the connoisseur's choice. The Purgatorio is almost too successful in wrapping things up, so that by the end of the second canticle, Dante has done almost everything that seemed worth doing. He's crossed hell and climbed Mount Purgatory, he's purged himself of his own sins, and he's come face to face with Beatrice, the woman on account of whom his whole journey was undertaken."

"Purgatory" is the second part of Dante Alighieri's 14th century epic poem, "The Divine Comedy" (the other two parts being "The Inferno" and "Paradise"). This is the 1814 blank verse translation by H. F. Cary, and has the complete set of 42 woodblock illustrations by Gustave Doré, which were originally published in 1866.
