It has taken 200,000 years to complete. Secrets of Enlightenment - I know, I know, I must truly be crazy to make such a claim as no one will want to buy this book if they think it comes from a nut, but what the hell, it also took 60 years of this lifetime to clean it up and make it into a completed book. Give it a try. So I have a very limited space here to tell you about it. First let me say that there are a number of new concepts (secrets) in this book that you will not find in any other book on earth. If that is not so I will happily refund your money. Secondly, I know that you have heard that the simpler a concept is the longer that it takes to develop it. Well, that is true about this book. The concepts of Enlightenment given here are very simple and easy to understand even including where this universe came from. Finally, this is the only book I have ever heard of that gives simple answers to all the questions that mankind has ever asked, such as, where did I come from, why am I here, why I cannot remember before this life, what is my purpose and all the other questions mankind has asked. (...) It is our job, the people with me, to save this planet, so you probably won't see any normal books from us. We leave that to people who watch TV. Oh yes, I should mention that I was the discoverer of MMS and the founder of the Genesis 2 Church of Health and Healing that has used MMS to save a few hundred thousand lives so far with more than 10 million people having tried MMS. So, in my opinion, the most important question of all for you is, "Are you one of us?" Let me know. Archbishop Jim Humble
