The Flower Master Sujata Massey

Life in Japan for a transplanted California with a fledging antiques business and a nonexistent love life isn't always fun, but when the flower arranging class Rei Shimura's aunt cajoles her into taking turns into a stage for murder, Rei finds plenty of excitement she's been missing. Unfortunately too many people have a reason for committing the crime--her aunt included. While struggling to adjust to the nuances of Japanese propriety, trying to keep her business afloat, and dealing with veiled messages left under her door, Rei sifts the bones of old skeletons to keep her family name clear--and her own life safe from an enemy with a mysterious agenda. If Rei doesn't want to be crushed like fallen cherry blossoms, she's going to have to walk a perilous line and uncover the killer with a dramatic flare for deadly arrangements.
