Beneath a Texas Star (Lone Star Cowboys Book 4) Tori Scott
Book Four in the Lone Star Cowboys series.

Bull rider Nick Jackson has spent his entire life not knowing who he really is. Abandoned as a toddler and raised in foster homes, Nick is afraid to put down roots, to make commitments, to love, because life has a way of ripping those things away from you when you least expect it.

Psychologist Jean Sutherland wants to help Nick discover his true identity and find his family, but not as a professional. Her interest in Nick is purely personal. She finds it difficult not to cross the line between her personal and professional lives, and nearly ruins them both in the process.

Sometimes it's better to leave the past alone...
