Always mix business with pleasure.

“I have a boyfriend, but I’m also in love with my boss.”

It was a harmless crush.

One that could never happen since Jamie is about as straight as they come.

Mack can’t help but obsess over him though.

And maybe? All that’s really needed is the right opportunity.

Maybe? Jamie is just looking for the right guy?

Bonus Content included three extra stories involving confused straight men getting what they’ve craved for so long as well as European translations.

Warning: A Bulge for my Boss and the included bonus content all included adult language and scenes. They are intended for mature audiences.
