**Ms Patriot: Super Bimbo (Grimme City Super Heroines in Peril Series Book 6)** Don Ship  
Super heroine in peril fiction at its finest!

Grimme City's super heroines are young, hot, and descended of the legendary Viking Valkyrie.

The city's criminal population isn't the least bit respectful of their demi-divinity, and only dream of getting their hands on those goodie two shoe busybodies. Now an evil scientist, calling himself Dr. Lobotomizer, has found a way to strip away the intelligence of the city's most powerful, most intelligent women, turning them into mindless bimbos. He would like nothing more than reduce Grimme City's premier super heroine to a super bimbo and end her crime fighting career forever.

Warning: This super heroine in peril, urban fantasy story has explicit violence and sex. It gets down and dirty, showing the dark side of costumed vigilantism. For adults 18 years old and above who are not easily offended.

This is a story of approximately 11,300 words.

Excerpt:

“Surrender, or I’ll kill her,” he said. “I’ll blow her brains out. So remove the power belt and kneel with your hands behind your head.”

“No, you won’t kill her,” Ms Patriot said confidently as she assumed a classic super heroine stance. “You’re not a murderer. You are a white slaver. You don’t want to kill women, you want to humiliate and degrade them. Besides, without her as a hostage you are toast. She’s all that is saving you right now.”

He looked a bit nervous now. Obviously, he thought that scam would work with her. So he tried a different tactic. Forcing Tami before him, he moved straight at Ms Patriot. She eyed him warily, wondering what he was up to.
