Original material for a biography of Peter the Hermit either does not exist in this country, or, if here, does not yield itself readily to knowledge and use. The "Life of Peter the Hermit," by D'Outremant, and another by André Thevet, on which Michaud draws heavily, seem beyond reach, as are also the histories of the Crusades, by von Raumer and Maunbourg. On examining a number of English and American "Histories of the Crusades," I found them to be largely abridgments or paraphrases of Michaud's monumental work.
