For publicity events and speaking engagements, see <http://www.paulgordonchandler.com/schedule.htm>.

Today's tensions between the 'Islamic' East and 'Christian' West run high. Here Paul-Gordon Chandler presents fresh thinking in the area of Christian-Muslim relations, showing how Christ_ whom Islam reveres as a Prophet and Christianity worships as the divine Messiah_ can close the gap between the two religions. Historically, Christians have taken a confrontational or missionary approach toward Islam, leading many Muslims to identify Christianity with the cultural prejudices and hegemonic ambitions of Westerners. On the individual level, Christ-followers within Islam have traditionally been encouraged by Christians to break away from their Muslim communities. Chandler boldly explores how these two major religions_ which share much common heritage_ can not only co-exist, but also enrich each other. He illustrates his perspective with examples from the life of Syrian novelist Mazhar Mallouhi, widely read in the Middle East. Mallouhi, a self-identified 'Sufi Muslim follower of Christ,' seeks to bridge the chasm of misunderstanding between Muslims and Christians through his novels.
