Crossing Cultures: Readings for Composition (5th Edition) Myrna Knepler, Anne Knepler

Too often it is difficult to find an anthology that offers high- interest readings that stress cultural differences. Readers will have to look no more with the fifth edition of this highly-successful book of readings. *Crossing Cultures* introduces readers to a wide variety of cultures in the United States. Because we need to look at other cultures to define our own, one complete section emphasizes cultures elsewhere. Each selection has been chosen because it is a "good read" with an engaging subject and style. Each chapter begins with a short, personal reading, moves to more difficult pieces, and ends with a poem. Ideal for those seeking a multicultural anthology for their libraries.
