Look, you have questions. You're probably asking can detox or a detox cleanse really work for me?

Most of us are familiar with the idea of the Detox. Everywhere we are advised to do it, from famous celebrity programs to back-to-the-primitive retreats, or even routines that allow you to detox and cleanse whilst in the midst of a hectic life.

What many people have not realized, and this book hopes to remedy, is that detoxing isn't just a diet plan that might make you slimmer for a short period. A proper cleansing detox (what I like to call the Pure Detox Blueprint) consults not just ones diet, but also the deeper reasons why you need to detox, the toxic causes that can be found in your lifestyle or even in negative thinking patterns that you have held onto since childhood. Find out how to get all this and more. Download For FREE With Kindle Unlimited NOW.
