Little Frog's Tadpole Trouble Tatyana Feeney

Little Frog lives with his mommy and daddy. It's just the three of them, and Little Frog likes it that way. But one day, his parents tell him he is going to be a big brother—to NINE tadpoles!

Little Frog is not impressed with his baby siblings. They can't jump. They can't play drums. They can't do anything! All they do is keep Mommy and Daddy busy—too busy for Little Frog.

But with a little time, big brother realizes that tadpoles grow into little frogs, just like him. And having nine new playmates makes his family better than ever.
