More Than Words: Bestselling authors and real-life heroines

Making a difference...transforming lives... This year, the recipients of Harlequin's More Than Words Award are three women whose selfless deeds and far-reaching goals are helping to build stronger, safer communities. Now three bestselling Harlequin authors honor these remarkable women with stories inspired by their extraordinary contributions.

Everyone thinks brilliant designer Chris Kessler is the playboy of the architectural world. Truth is, he's strictly a one-woman man. But how can he reveal his feelings when Ali Montalvo's his fiercest rival for junior partner? And now they've been teamed up to volunteer at one of Pittsburgh's most popular charities.

In addition to helping underprivileged kids celebrate their special day, there's something else at the top of Ali's wish list. If only she and Chris didn't clash on just about everything! Now he's planning a circus outing—this from a man who never had a birthday party. That's when Ali comes up with a surprise of her own. Because it's never too late to give the gift of love...
