Two incurable bachelors, one incredible journey...

Jagger Jackson hides behind a sexy playboy veneer. He'd rather people see him as a man who doesn't believe in love, rather than one who doesn't deserve it. No matter how hard he works, he still sees himself as the unlovable boy from the wrong side of the tracks.

Miller Brexler doesn't believe he'll ever meet a man who could make him want to settle down. He's perfectly happy with his hit it and quit it lifestyle. Behind his easygoing nature is a man who's passionately devoted to his career, family, and friends.

JJ and Miller are brought together when their best friends meet and fall in love. Sparks fly from the very beginning and no matter how much they try to fight it, their attraction is unavoidable. What starts out as "just sex" has the potential to become so much more if JJ can come to terms with his painful past, and Miller is willing to admit that love may be the missing piece in his seemingly perfect life.

Will these two stubborn hearts admit that they might've been wrong about love or will they allow the chance at true happiness to slip away? This is the tale of two imperfect men that together make a perfect fit.

Perfect Fit is the fourth book in the Fated Hearts series and can be read as a standalone novel or as part of the series. Many of the characters in the book have been introduced in *Chasing Mr. Wright*, *Rhythm of Us*, and *Surrender Your Heart*.

*This book contains sexually explicit material and is intended for adults only.
