Where I Need to Be

Spencer Marshall was done moping. After catching her boyfriend cheating with his secretary, she decides to have a girl's weekend in Vegas with her best friend, Ryan. Lady Luck must be looking out for Spencer, because the hottie that has caught her eye at her new gym is on the same flight to Vegas.

Spencer is old-fashioned in the sense that she feels the guy should make the first move, but this hottie hasn't approached her...until they have one hot dance in Vegas that leaves her questioning his motives.

Will her hottie finally speak to her, or will he continue playing a game of flirtation that may lead to nowhere? And will situations from their past keep them from taking the next step?

Despite what people say, not everything stays in Vegas, especially when you work out every day at the same time and at the same gym.

Finding Spencer

With a crazy ex-girlfriend who won't leave him alone, Brandon Montgomery is determined to move on to the brunette hottie who caught his eye at the gym he owns. Things start out slowly with Brandon and Spencer, since neither one can find the courage to speak to one another until they both happen to be in Vegas for a weekend.

It's not true. Things don't always stay in Vegas, and lucky for Brandon, the girl he wants to be with lives in his town. Now if his crazy ex-girlfriend, Christy, would leave him alone, Brandon could move on to where he needs to be.

Brandon and Spencer's story is already written. You know Spencer's side of it. Now find out what Brandon was really thinking from the moment Spencer walked into Club 24.

After his crazy ex-girlfriend tried to take Spencer from him, Brandon can't picture his life without falling asleep with Spencer each night and waking up each morning with her in his arms.

However, ghosts from his past keep showing their ugly heads, and one tragic night, Spencer is taken from him.

Can Brandon protect Spencer like he promised her father that he would? Can he get to Spencer before it's too late, or will his past take the future he has always wanted?
