A realistic guide to day trading today's stock market

"Josh does an outstanding job of capturing all his trading experience into an invaluable memoir detailing specific rules for both the inexperienced and experienced trader. Anyone interested in trading professionally should read this book as they will learn invaluable lessons." --Stephen Ehrlich, CEO, Lightspeed Financial, LLC

"Having been a trader for over twenty years myself, I've read my share of books about the financial markets. If you're new to the trading game, this book will shorten your learning curve and--if you take its lessons to heart--it just might save you money and grief." --Jason Alan Jankovsky, author of "The Art of the Trade" and "Trading Rules that Work"
