This *Understanding* treatise analyzes the fundamental issues of lawyers' ethics and the ABA's Model Rules. It is designed to facilitate a real understanding of legal rules as distinguished from a superficial familiarity with them by challenging the reader to test their understanding of the legal rules against the reader's own moral standards and reasoned judgment. The fifth edition includes new chapters on Lawyers' Ethics in a Time of Crisis and Counseling Clients, Coaching Witnesses, and Cross-Examining to Discredit the Truth, and substantial updates on Judicial Ethics and more.
