Bioethics: A Nursing Perspective

Megan-Jane Johnstone

Bioethics: A Nursing Perspective Megan-Jane Johnstone

An essential resource for both undergraduate and postgraduate students and registered nurses to develop new insights and moral wisdom around ethical issues they will face in clinical practice.

Bioethics: A Nursing Perspective, 6th Edition continues to set the standard for bioethical issues in nursing practice. As with previous editions, this highly respected text provides a comprehensive framework to assist students and registered nurses to understand the ethical challenges, obligations and responsibilities they will encounter in daily practice.

- Greater depth on ethical issues, particularly those concerned with ethical conduct, unprofessional conduct and professional misconduct and ‘morality politics’
- Case scenarios and critical questions to encourage students and registered nurses to reflect on key issues that relate to their own practice
- **NEW chapters:** - Ethics, dehumanisation and vulnerable populations - Professional obligations to report harmful behaviours with a focus on impaired practitioners, child abuse and elder abuse
- Introduces a new concept: ‘cultural humility’
- Content on ‘needs versus wants’, ‘the right not to be informed’, palliative sedation, preventing ethical conflicts, the relationship between professional judgment and moral decision-making in nursing and health care contexts, and future ethical difficulties concerned with climate change, peak oil, pandemic influenza, antimicrobial resistance and health inequalities
- All chapters and references have been updated to reflect contemporary nursing practice, locally and globally

From reader reviews:

Ashley McKay:

This Bioethics: A Nursing Perspective book is simply not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book is usually information inside this reserve incredible fresh, you will get data which is getting deeper anyone read a lot of information you will get. This particular Bioethics: A Nursing Perspective without we understand teach the one who looking at it become critical in considering and analyzing. Don't be worry Bioethics: A Nursing Perspective can bring when you are and not make your handbag space or bookshelves' turn out to be full because you can have it in your lovely laptop even cellphone. This Bioethics: A Nursing Perspective having good arrangement in word as well as layout, so you will not really feel uninterested in reading.

William Herold:

As people who live in often the modest era should be up-date about what going on or info even knowledge to make these keep up with the era that is certainly always change and progress. Some of you maybe will update themselves by looking at books. It is a good choice for yourself but the problems coming to anyone is you don't know what type you should start with. This Bioethics: A Nursing Perspective is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

John Olive:

A lot of people always spent their particular free time to vacation or even go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity that's look different you can read the book. It is really fun for you personally. If you enjoy the book which you read you can spent all day long to reading a guide. The book Bioethics: A Nursing Perspective it is quite good to read. There are a lot of people that recommended this book. They were enjoying reading this book. In the event you did not have enough space bringing this book you can buy the actual e-book. You can m0ore simply to read this book from your smart phone. The price is not to cover but this book possesses high quality.

Michael Jones:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Bioethics: A Nursing Perspective can make you sense more interested to read.
