## **If You Give a T-Rex a Bone** Tim J. Myers

Heads up, dino lovers! If by chance you end up in an ancient habitat, and if you offer a T-Rex a bone, things could get . . . well . . . interesting. Dangerously interesting! Storyteller and teacher Tim Myers magically introduces the reader to all types of dinosaurs in quirky sort of way. The boy in the story had a tough day, dodging T-Rex by hiding in the underbrush, only to encounter a toothy dimetrodon. He escapes into a nearby bay, only to attract a 42-foot kronsaurus . . . it was a long day, running to and fro among ancient habitats. There is lots of science, but no boring nonfiction here!
