Katy Perry: The Unofficial Biography Alice Montgomery

The fascinating account of a girl-next-door turned pop princess

Ever since the international chart-topping hit, *I Kissed a Girl*, Katy Perry hasn't stopped making headlines. From reaching number one in charts worldwide to selling out concerts around the globe, her phenomenal success has propelled her to the A-list. But it didn't always seem like she was destined for stardom. Brought up in a deeply religious community, Katy was allowed to listen only to church music. However, with her astounding musical gift, along with plenty of willpower, Katy was determined to follow her dream. Her rise to the top was cemented in 2010, when after a flurry of media gossip, she married the most controversial figure on British TV - Russell Brand.

Bestselling biographer Alice Montgomery traces Katy's steps to stardom from her choir girl beginnings to her breakthrough in the music business and her secret wedding ceremony in India, to reveal the intimate story behind the most exciting and unpredictable pop star around.
