With Christmas around the corner, the Turnbull family is in need of a few small miracles.

It is 1937, and Lucy Turnbull knows better than to wish for a pony this Christmas. Her mother has assured her in no uncertain terms that asking for a pony is the same as asking for the moon. Besides, the only extra mouths they need at their boarding house are the paying kind. Then an interesting pair of strangers comes to town, and Lucy's world changes forever.
