Understanding Child Development Rosalind Charlesworth

UNDERSTANDING CHILD DEVELOPMENT, 10th Edition, introduces pre-service and inservice teachers to the unique qualities of young children from infants to age eight, and demonstrates how to work with each child in ways that correspond with their developmental level, and their social and cultural environment. Now organized into 15 chapters, the book includes learning theories and research as well as information about the importance of play and technology in a young child's learning process. Learning objectives and specific NAEYC Program Standards, Accreditation Criteria, and Developmentally Appropriate Practices (DAP) are highlighted at the beginning of each chapter. Other topics covered include readiness, assessment, working with children and families from diverse cultures, working with children with special needs, and the early stages of reading, writing, and general cognitive development. Throughout the text, real-life examples and anecdotes bring theory and research to life

From reader reviews:

Adrienne McGinnis:

Book is to be different per grade. Book for children right up until adult are different content. As we know that book is very important normally. The book Understanding Child Development has been making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The book Understanding Child Development is not only giving you a lot more new information but also to be your friend when you feel bored. You can spend your spend time to read your publication. Try to make relationship while using book Understanding Child Development. You never truly feel lose out for everything in case you read some books.

Joe Vizcarra:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is inside the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Understanding Child Development as your daily resource information.

Gregory Sims:

Are you kind of busy person, only have 10 or even 15 minute in your day time to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are having problem with the book as compared to can satisfy your short time to read it because this time you only find publication that need more time to be learn. Understanding Child Development can be your answer mainly because it can be read by a person who have those short time problems.

Travis Davis:

What is your hobby? Have you heard in which question when you got students? We believe that that question was given by teacher for their students. Many kinds of hobby, All people has different hobby. And you know that little person such as reading or as studying become their hobby. You need to know that reading is very important and also book as to be the factor. Book is important thing to include you knowledge, except your personal teacher or lecturer. You will find good news or update about something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is actually Understanding Child Development.
