Abraham Lincoln Benjamin Thomas

Long considered a classic, Benjamin P. Thomas's *Abraham Lincoln: A Biography* takes an incisive look at one of American history's greatest figures. Originally published in 1952 to wide acclaim, this eloquent account rises above previously romanticized depictions of the sixteenth president to reveal the real Lincoln: a complex, shrewd, and dynamic individual whose exceptional life has long intrigued the public.

Thomas traces the president from his hardscrabble beginnings and early political career, through his years as an Illinois lawyer and his presidency during the Civil War. Although Lincoln is appropriately placed against the backdrop of the dramatic times in which he lived, the author's true focus is on Lincoln the man and his intricate personality. While Thomas pays tribute to Lincoln's many virtues and accomplishments, he is careful not to dramatize a persona already larger than life in the American imagination. Instead he presents a candid and balanced representation that provides compelling insight into Lincoln's true character and the elements that forged him into an extraordinary leader. Thomas portrays Lincoln as a man whose conviction, resourcefulness, and inner strength enabled him to lead the nation through the most violent crossroads in its history.

Thomas's direct, readable narrative is concise while losing none of the crucial details of Lincoln's remarkable life. The volume's clarity of style makes it accessible to beginners, but it is complex and nuanced enough to interest longtime Lincoln scholars. After more than half a century, *Abraham Lincoln: A Biography* is still an essential source for anyone interested in learning more about the many facets of the sixteenth president, and it remains the definitive single-volume work on the life of an American legend.

From reader reviews:

Margaret Wright:

As people who live in the particular modest era should be change about what going on or facts even knowledge to make them keep up with the era that is certainly always change and make progress. Some of you maybe can update themselves by looking at books. It is a good choice for yourself but the problems coming to a person is you don't know what one you should start with. This Abraham Lincoln is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Willie Blackburn:

Nowadays reading books become more than want or need but also become a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want drive more knowledge just go with schooling books but if you want sense happy read one with theme for entertaining such as comic or novel. The Abraham Lincoln is kind of guide which is giving the reader unforeseen experience.

Lori Suda:

Many people spending their moment by playing outside along with friends, fun activity along with family or just watching TV all day every day. You can have new activity to shell out your whole day by looking at a book. Ugh, think reading a book can really hard because you have to accept the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Abraham Lincoln which is keeping the e-book version. So , why not try out this book? Let's view.

Charlie Hartman:

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book has been rare? Why so many concern for the book? But just about any people feel that they enjoy intended for reading. Some people likes studying, not only science book but also novel and Abraham Lincoln or perhaps others sources were given knowledge for you. After you know how the great a book, you feel would like to read more and more. Science reserve was created for teacher or even students especially. Those textbooks are helping them to increase their knowledge. In various other case, beside science e-book, any other book likes Abraham Lincoln to make your spare time much more colorful. Many types of book like this.
