**They rubbed and finger-fucked her first slowly, then with a more fevered pitch, all the while sucking her titty nectar from her body.**

Tyler was put in charge of watching over the two brats while his old man and wife went on vacation. Tyler knew he could handle the responsibility of caring for the two princesses, even if Dallas (the youngest of the two) was a *total slut*, complete with a **bulging baby belly!**

That is, until the power went out, and the **sexy trio** find themselves stuck at home with nothing to do, and *nothing* to eat! Tyler's about to have a stroke of genius when he discovers he can milk Dallas' **tight tits** for *all* they're worth! With a milk mustache and the taste of her **sweet titty nectar** on his lips, Tyler starts hording the **honey-sweet lady lactose** for sustenance.

But after a while his appetite grows insatiable when he realizes his "human milk machine" will eventually run out, so he decides to fuck the older brat's **hot piece of ass**, ensuring his sweet, sticky seed is pumped *deep* in her pussy. With both brats plump and pregnant, there's *no end* to the milk flow!
