Cellar Door Volume II: Words of Beauty, Tales of Terror James Ward Kirk

Cellar Door... Linguists call it the most beautiful phrase in the English language based solely on the way it sounds. But as you can imagine, what it represents may be something far more sinister. In a spectacular display of poetry, artwork, fiction, and photography, the talent of fifty contributors is showcased within these pages. Voices from behind cellar doors all over the world come together in unison to whisper in your ear...can you hear them? Are they knocking on your cellar door? Edited by James Ward Kirk, each piece in this anthology has a beautiful title intrinsically connected to the tale that follows, and a door will be the common theme which connects the widely varied styles, genres, and stories told. Will you take your chances and find what's lurking behind your cellar door?
