B.L.I.S.S.

Definitions: 1.A hot man for steamy nights. 2.Travel, excitement, and the adrenaline rush of danger

Camryn O'Brien, B.L.I.S.S. agent 36DD, has it all. So why hasn't she achieved a satisfactory state of bliss? Probably because the hot man is Jace Sentori, who might or might not be an enemy agent intent on killing her. As for B.L.I.S.S., although no one knows what the letters of this international crime-fighting organization stand for, everyone agrees that a newbie agent's career could be short and termination sudden.

Camryn doesn't know if she'll survive her first assignment. With the dubious help of three retired B.L.I.S.S. agents, an ultimate weapon that proves to be an ultimate pain in the butt, and driving an aging pink Cadillac, she goes forth to do battle with L.O.V.E.R., the League of Violent Economic Revolutionaries.

On an exotic South American island dedicated to America's favorite board game, Monopoly, Camryn fights the forces of evil to keep the world's richest man alive.

Things look bleak. L.O.V.E.R.'s deadliest agent, Zed, is determined to clear the island's life-size Monopoly board from Mediterranean Avenue to the Boardwalk of anyone who would thwart L.O.V.E.R.'s plans.

Then there's Jace Sentori. Known as the Game Master, he's the master of many kinds of games. Camryn isn't sure which one he's playing with her, but she knows she'll roll the dice for a chance at love and mortgage all her tomorrows for a lifetime of bliss with this man of mystery.
