The West Wing Script Book (Newmarket Shooting Script)

Aaron Sorkin

The West Wing Script Book (Newmarket Shooting Script) Aaron Sorkin

First-time publication of 6 full scripts from the hit NBC show—winner of 9 Emmy® Awards, including Best Drama writing—selected and introduced by the acclaimed show creator and screenwriter of *The American President* and *A Few Good Men*. Here is the first collection of scripts from the show's first two seasons, including the Emmy® Award-winning episode "In Excelsis Deo." The NBC show, named "TV Show of the Year" by *Entertainment Weekly*, stars Rob Lowe, Dule Hill, Allison Janney, Janel Moloney, John Spencer, Richard Schiff, Bradley Whitford, and Martin Sheen. Reviewers and fans of *The West Wing* agree that one of the very best aspects of this series is its writing, which blends an unstoppable sense of urgency with strong character development against the background of the day-to-day activities of the highest office in the country. In this book, readers can revisit their favorite episodes, following the fictional American President Bartlet and his key White House staff, his family, and the press as they deal with the urgencies of the moment. As compelling to read as they are to watch, these scripts represent the most complete source for the writers' and creators' visions.
