Middle-aged Endurance Athletics Meets The Hormonally Challenged

Women get older, dammit, and sometimes it sucks, especially for women who pride themselves on athleticism and an adventurous spirit. Hot flashes. Weight gain. Sleepless nights. Yes, it can be hard, but middle age doesn't have to be a flashing red stop light. It's perfectly acceptable for women of a certain age, a certain level of hormonal imbalance, and a certain amount of cellulite to don spandex and even enter the rarefied sport of endurance triathlon.

In fact, there's a huge advantage to aging: much of the potential competition drops out in favor of the couch and a remote control. And the endurance high? The elation of dietary purity and discovering you can have arms like Madonna? The Zen of goal attainment? Better than a good Shiraz buzz. Once you get past the ugly mood swings, chafing on your girly parts, and a "kill your own mother" craving for sleep and a hot Cinnabon, that is.

Pamela Fagan Hutchins has been there and done that, with lessons learned and sense of humor (usually) intact. She completed her first triathlon at 39 and her first Half Ironman at 40. She has her eye on an M-dot tattoo in 2016.

***** Can we get real here?**

"Honest and helpful."

"Candidly funny."

"Inspiring."

"Great read."

"Encouraging and real."

***** See why Hutchins is called an "up-and-coming powerhouse writer" and "the Erma Bombeck of her generation."**

Pamela Fagan Hutchins is an employment attorney and workplace investigator by day who writes award-winning and best-selling romantic mystery/suspense (*Saving Grace*, *Leaving Annalise*) and hilarious nonfiction (*How to Screw Up Your Kids*, *What Kind of Loser Indie Publishes?*) by night. In her spare time, she dabbles in endurance athletics. She is passionate about great writing, her good looking husband-five offspring-four dogs-one duck-four goats-one heifer family, and smart authorpreneurship. She also leaps medium-tall buildings in a single bound, if she gets a good running start.

Scroll up and grab a copy today, and don't miss the fictionalized version, Pamela's USA Best Book Award-Winning *Going for Kona*.

This book which is qualified as The Hungry Hills can get you closer in becoming precious person. By looking way up and review this e-book you can get many advantages.

John Kirk:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Hot Flashes And Half Ironmans: Middle-aged Endurance Athletics Meets The

Hormonally Challenged can make you experience more interested to read.
